

REMARKS

Following the mailing of the Advisory Action, the undersigned had multiple telephone interviews with the examiner in charge of the application, the final one being on 28 January 2008. During the Final Interview an agreement was made that the proposed claims overcome the rejections set forth in the previous Office actions.

In view of the foregoing, reconsideration and an early allowance of this application are earnestly solicited.

If any matters remain which could be resolved in a telephone interview between the Examiner and the undersigned, the Examiner is invited to call the undersigned to expedite resolution of any such matters. Please charge any additional required fee or credit any overpayment not otherwise paid or credited to our deposit account No. 50-1698.

Respectfully submitted,

Dated:

28 January 2008
